

Carmen Velthuis

Chief Financial Officer

Carmen Velthuis (born 1974) has been Chief Financial Officer (CFO) of Vodafone Germany since 1 March 2022. Prior to moving into her current role, she was CFO of Vodafone EU Cluster Markets since 2017, supporting all ten participating Vodafone markets in strategic, tactical and operational matters – contributing to the continued growth of the region.

In June 2015, Velthuis joined Vodafone Netherlands as CFO and has led the acquisition and integration planning for the joint venture with Ziggo. Prior to joining Vodafone, she was CFO of the Dutch retail group V&D. Prior to that, she held various management positions at the Dutch communications group KPN and at the consulting firm PwC.

Velthuis is a certified auditor and studied economics at the University of Groningen.

Carmen Velthuis has one daughter with her partner.
